

The chart displays a single data series named 'Requests (per second)' in blue. The x-axis represents time, with labels every four days from 2023-11-17 to 2023-12-13. The y-axis represents the number of requests per second, with a scale from 0 to 100. The data shows a consistent periodic pattern with peaks reaching approximately 100 requests per second and troughs dropping to near zero. The peaks occur roughly every 24 hours.
